*(formerly Food & New Product Show)*

## **THE FIRST BITE CONCEPT**

### **Food vendors: hot/open plate & packaged foods and specialty drinks only:**

At **OnoFest**, food and drink vendors are required to debut a new item, flavor, or specialty drink that has never been offered before and feature it during the event. This new item(s) must be **priced no more than \$6 or \$6.** Vendors are also required to provide samples; however, this may require a special event permit from the Department of Health, so please check with them directly.

**OnoFest** provides a unique opportunity to test-market your new food, new menu, or beverage product. Each featured item will include a QR code or identifier on your booth signage so attendees can rate and provide feedback on the product.

To help build excitement, both your business and **OnoFest** will promote your new product before the event. Please provide only the name of the item — not a description — to keep attendees curious until the show.

Vendors may continue to sell their regular menu items at their standard pricing, but the spotlight should remain on the new featured product.

### **First Bite Concept Exemption:**

Food distributors may be exempt from the First Bite requirement if they are unable to showcase a new product.

For additional information, please contact us or your event representative.

# DIAMOND HEAD PARKING GARAGE
